

IPAAE Excursion in Vietnam

IPAAE(International Platform for Asian Agricultural Education) is going to have an excursion in Vietnam with University of Hohenheim (UHOH, Germany). The aim of this excursion is to demonstrate and discuss agricultural issues in Vietnam through visiting the various sites. This is a good opportunity for people who have never been to Vietnam. During this excursion you will not get a chance to collect your own research data but you can extend the period of your stay and focus on your research.
