(Bioscience and Biotechnology)

<https://www.agr.kyushu-u.ac.jp/english/courses/bioscience-and-biotechnology/>

The MEXT scholarship is a Scholarship of the Ministry of Education, Culture, Sports, Science and Technology, Japan; MEXT: Monbu-Kagaku Sho.

2. Eligibility

(1) **Nationality:** Applicants must be nationals of a country that has diplomatic relations with the Japanese government. (Applicants who already live in Japan before October 2023 are ineligible to apply.)

(2) **Age Limit:** Applicants must be under 35 years as of April 1st, 2023 (i.e., born after April 2nd, 1988).

(3) Academic Requirements

(a) Doctoral course eligibility requirements:

- (i) Applicants who hold a master's degree or expect to receive one from a university outside of Japan by September 30th, 2023.
- (ii) Applicants who do not hold a master's degree but have equal or higher academic attainment than individuals with a master's degree*.

***Individual Evaluation of Academic Ability**

Those who wish to apply in accordance with the above qualification (ii) are required to undergo an individual evaluation of their academic ability, according to an Individual Screening of Requirements for Admission by the Kyushu University Graduate School of Bioresource and Bioenvironmental Sciences. First, they must notify the International Student Exchange Section (agri-igp@jimu.kyushu-u.ac.jp) and then send all of the required documentation to the same e-mail address at the time of the online entry.

- (4) **Health:** Candidates must be certified as healthy both physically and mentally by a qualified and recognized physician.
- (5) **Language:** Nonnative English speakers must possess a sufficiently high official English score by a qualified body, namely TOEFL, TOEIC, IELTS, or Cambridge Certificate (the applicant's scores must be attached).
- (6) **Time of Arrival:** Students must arrive in Japan before September 30th, 2023.
- (7) **Others:** Applicants who already live in Japan before October 2023 are ineligible to apply.

MEXT Scholarship Applicants:

- 1) Military personnel and civilian military employees are ineligible while on active duty or under employment.
- 2) Candidates who do not arrive by the above date will be subject to scholarship cancellation.
- 3) Persons already receiving financial support for study from other groups or organizations are not eligible.
- 4) Students who attended a Japanese college or university in the past year must wait at least one year before applying, regardless of whether they received a scholarship. Furthermore, such students cannot have resided in Japan during this one-year interim period. Students who have received a MEXT scholarship within the past three years must wait at least another three years before becoming eligible for this course. Similarly, they cannot have resided in Japan during this three-year interim.
- 5) Applicants who fail to receive a master's or bachelor's degree by September 30th, 2023, will be subject to scholarship cancellation.

3. Duration of the MEXT scholarship

Doctoral course: Three years, from October 2023 to September 2026.

4. Benefits of the MEXT scholarship

- (1) A monthly stipend of 147,000JPY for the doctoral course. The stipend amount is subject to changes depending on the annual budget. The stipend will be suspended during periods of leave, absence, or when the student remains off-campus for prolonged periods of time without authorization.
- (2) Travel Expenses
 - (a) Inbound travel: an economy class air ticket from the international airport closest to the student's home to Fukuoka International Airport.
 - (b) Return travel: an economy class air ticket from Fukuoka International Airport to the international airport closest to the departing student's home, or the equivalent amount of cash will be provided to those leaving after the scholarship period but before the expiry of the time limit designated by MEXT.
 - * Travel insurance fees for both inbound and return trips are to be paid by the student.
- (3) Fees for the entrance examination, admission, and tuition will be waived.

Selection Procedure for MEXT scholarship Applicants

- 1) Kyushu University will select applicants based on their application documents and qualifications.
- 2) Based on the recommendations made by Kyushu University, MEXT will then screen and authorize the admission of applicants.

Applicants will be notified of the final decision by mid-July 2023. Successful applicants will be enrolled as full-time graduate students.

5. Application Method

- (1) Submission of the **Entry Form** (<https://forms.office.com/r/4niBi1cMyP>)

The Online Entry Form must arrive between November 1st and November 30th, 2022.

Our secure Online Entry Form is (available only between November 1st and November 30th, 2022, 24:00 (Japan time)) to have your submission processed.

*The online entry periods are subject to change.

Applicants must contact their potential supervisor well before filling out the entry form and receive an interview described in (2).

More information is available at

<https://www.agr.kyushu-u.ac.jp/english/education/graduate/igp/how-to-apply/>

- (2) An Internet interview or oral examination (personal interview, phone call, or video call) by the potential supervisor will be performed before the official application is completed. If an interview cannot be conducted in one of the forms described earlier, professors from the educational course will conduct an interview via e-mail.
- (3) After the preliminary screening, only successful applicants will be contacted via e-mail and provided the required documentation for an official application. If you do not hear from the potential supervisor by December 23rd, 2022, you should assume that your application has been

unsuccessful.

(4) Submission of the application documents in full to your potential supervisor:

Applicants who pass the online interview/oral examination must submit all of the documents listed on the **List of Required Documents** to the potential supervisor. All of the documents should be delivered to the International Student Exchange Section by the potential supervisor no later than January 16th, 2023.

(5) If you become a successful candidate for the Scholarship, the International Student Exchange Section will notify you by mid-March 2023.

NOTE

You must send the required documents to your potential supervisor well in advance of this date to give your supervisor ample time to review and send these documents to the International Student Exchange Section. Please ask your potential supervisor about his/her preferred deadline.

List of Required Documents

If you pass the document screening of the application, your potential supervisor will provide you with the forms of the documents below.

(1) Completed Application Form (use the form supplied by the potential supervisor)

* Both a paper document and a Word file are required.

* Please print both sides of the page for the paper document.

(2) Completed Field of Study and Study Program Form (use the form supplied by the potential supervisor).

* Both paper documents and a Word file are required.

* Please print both sides of the page for the paper document.

(3) Diploma or certificate of graduation or completion (*Refer to “NOTES 3”)

For doctoral course applicants, a **Bachelor’s Degree Certificate and a Master’s Degree Certificate** are required. If applicants are currently in school and working toward obtaining the relevant degree(s), a certified letter from the applicant’s university stating the expected graduation date is required.

(4) Official Academic Transcript (*Refer to “NOTES 3”) of all applicable undergraduate and

graduate course work from the university/universities to which the applicant belongs/belonged.

Submission of academic records with grade point averages (GPA) or quality points (A, B, C, or Excellent, Good, Average, etc.) along with academic rank order and a description of the

academic grading system (e.g., A: 90% above) is required. If the academic rank order of the

candidate among his/her peers is not mentioned in the transcript, it has to be elaborated in the Recommendation Form 1.

(5) Two Letters of Recommendation (Please download these forms at <https://www.agr.kyushu->

u.ac.jp/english/education/graduate/igp/how-to-apply/)

Recommendation Form 1 must be completed and submitted to the President of Kyushu University by the Dean or head of the university or institution/employing body to which the applicant belongs/belonged. Recommendation Form 2 must be completed by a supervising professor, another member of the teaching staff, or a workplace supervisor who knows the applicant personally. Each letter must be provided in a sealed envelope to ensure confidentiality.

(6) A 2-page Summary of undergraduate/MA thesis in English on an A4-size paper. Copies of any academic publications in English can also be included with the thesis summary.

Applicants not required to submit a thesis to complete their bachelor's/master's degree must state this on their application and submit a copy of any academic research papers they have written instead.

(7) Certificate of one of the following official English qualifications: TOEFL, TOEIC

Listening and Reading Test, IELTS, or the Cambridge Certificate (*Refer to "NOTES 3"), obtained within the two years preceding the application deadline. Applicants who are native English speakers are exempt from this requirement. Online score reports are not acceptable. It sometimes takes as long as two months for a score report to reach us after your order, so please make sure to give it enough time. Every year some applications are not accepted due to the delayed arrival of their scores. If you do not have these scores, please either take the exam and obtain new scores before you apply or submit a certificate issued by your university that proves you have completed a previous course of study with English as the primary language instead.

(8) Completed Pledge Form (use form supplied by the potential supervisor)

(9) Certificate of Nationality or Proof of Residence in the applicant's home country (e.g., census register, passport (photocopy), or other positive proof of nationality).

(10) Two photographs (3.5 × 2.5 cm and 4.5 × 3.5 cm), front-facing without a hat, and taken within the past six months before the application deadline. The 4.5 × 3.5 cm photo must be affixed to the specified area on the application form. The name and nationality of the applicant must be written on the reverse side of each photograph.

NOTES

- 1) All required documents should be typewritten in English and of uniform size (A4 format).
- 2) Applications will not be accepted if any of the required documents are missing, incorrectly completed, or lacking supporting evidence. Applications will not be considered if the documents arrive after the abovementioned deadlines.
- 3) In principle, original documentation or transcripts should be submitted. Further, no submitted documents will be returned. However, if your original documentation or transcripts cannot be reissued, you may submit a photocopy of the documentation or transcripts with a statement of "certified true copy" or "attested" by the institution/organization administration office with the official seal.
- 4) Documents 1, 2, 5, and 8 must be provided on the forms supplied.

- 5) If the documents are in a language other than English or Japanese, an English or Japanese translation must be attached.

6. Announcement of the Final Decision

Successful applicants will be notified of the final decision via e-mail in mid-July.

7. Notice

- (1) Payment of the MEXT scholarship to an enrolled student will be terminated if:
- (a) Any of the information supplied with the application is later found to be false. Admission in such a case can be canceled at any time after enrollment.
 - (b) The pledge to MEXT is broken.
 - (c) Disciplinary action is taken, or the faculty judges the student unable to continue the program.
- (2) The Entrance Examination Fee (30,000JPY), Admission Fee (282,000JPY), and Tuition Fee (535,800JPY/year) will be waived for MEXT scholarship students.

8. Remarks

- (1) E-mail/telephone inquiries regarding screening results will not be answered.**
- (2) All applicants should note that they are required to keep in close contact with their potential supervisor at Kyushu University to formulate a research plan.
- (3) Successful applicants are expected to study and gain an understanding of the geography, climate, customs, and habits of Japan, as well as the general features and conditions of Kyushu University.
- (4) In principle, the change of department and laboratory is not permitted after your application is received by the university. Therefore, you need careful consideration of research themes for the selection of the department and the laboratory before applying.
